

PUBLIC HEARINGS

Notice of Public Hearing: There will be a public hearing during the regular City Council meeting on May 24, 2016 at 7:00 p.m. in the Eagle Point City Council Chambers, 17 Buchanan Ave. South, Eagle Point, Oregon, in the matter of authorizing an increase of the Water Base Rate and Water Consumption Rates.

Public comment will be received regarding the proposed Water Rate increase. While the City is reluctant to ask its rate payers to pay more, the proposal is to increase water rates by 4%. It will also be proposed to annually review water rates and recommend incremental increases instead of larger increases every few years. For a customer that uses 9,000 gallons, a 4% increase would be \$1.40/month. Additional information will be available in the City Council Agenda Packet, available online on or after May 20, 2016.
