EAGLE POINT 4TH OF JULY FUN RUNS!

The 4th of July Fun Run is a community tradition, held each year in memory of Betty Ann Marlia. The walk/run features a choice of 5k or 1 mile family friendly courses, both beginning and ending on Main Street. Awards will take place immediately following the race, with refreshments to follow. Don't miss out on this memorable family event, the perfect way to begin Independence Day! Pre-registration is strongly encouraged, as race day registrations will be EXTREMELY limited. Pre-registrations must be received by Saturday, July 1st. For more information visit www.eaglepointchamber.org/funrun or contact race coordinator Ruth Jenks at 541-941-8537 or via email at ruthjenks@charter.net.

Summer Mystery Clue Game - June 15th through August 13th

June 15th we will begin the Mystery Clue Game at the Eagle Point Museum for kids grades K-5. We will be posting the clues at the Eagle Point Library and at the Museum. Get the clue, come to the Museum and find the answer. Submit your answer into the Teddy Bear and we will draw a winner every two weeks. You will have a week to pick up your prize and the game ends August 13th. Join us for a fun time, and experience history firsthand!

**YMCA SUMMER DAY CAMP
IN EAGLE POINT**

1st - 6th Grade!

Located at the Hillside Elementary Campus at 185 E. Main St.

Monday - Friday
7:30 a.m. - 6 p.m.

YMCA Day Camp is a summer tradition in the Rogue Valley. The YMCA is excited to again be offering a day camp experience for local youth in partnership with the City of Eagle Point and School District 9. Campers will come home each day excited to share what they have done and ready to rest for the next day. Each day campers will be assigned a "cabin" with their own counselor to guide them through the day. The unique program allows campers to take part in themed activities, weekly field trips, swim days, as well as work with their "cabin mates" to craft part of their day.

Eagle Point sessions will be held July 10-14, July 17-21 and July 24-28. Additional weeks outside of Eagle Point are available as well. Registration for Summer Daycamp will be available at City Hall or Rogue Valley YMCA. For more information please call City Hall 541-826-4212 or YMCA 541-772-6295. Additional information and registration forms are also available at: www.cityofeaglepoint.org or www.rvymca.org. Many scholarships are available!

The daycamp experience is tailored to the needs of each camper by dividing into two smaller camps which are then divided into mock cabins (a counselor and 10 or 15 campers) based on each camper's grade and gender.

Showa-Mura Japan is Eagle Point's Sister City

Each summer students from Showa visit Eagle Point. **The 4-H Japanese Homestay Club** is coordinating this year's visit. 12 middle school age students will be arriving on 8/7/2017 and need Host Families with middle age school children preferred through 8/13/2017 to open their homes and experience a shared cultural exchange. This visit includes a planned agenda with activities for the students and time with the families. Host family members are encouraged to participate in activities and can share rides, etc. as the time goes by quickly and is enjoyed by all. This is a great way to help and to learn about other nations. **If interested in being a Host Family or for more information, please call: Ms. Rennick 541-324-1263 or Ms. Case 541-326-2467.**

It's the perfect time to check sprinkler systems for leaks, and to adjust watering schedules to avoid unnecessary watering. Many users realize they have a leak or are overwatering only when the first high-consumption bill arrives in the mail. Save time and money by checking systems now!

News From Your

EAGLE POINT POLICE DEPARTMENT

Together We Make Our Community Safer!

Local Area 911 Agencies Launch Text to 911 Service - "911: Call if You Can, Text if You Can't"

Emergency Communications of Southern Oregon (ECISO) and Josephine County 9-1-1 now accept Text-to-911 messages in response to emergencies. Text-to-911 is intended to benefit people that may not be able to speak due to an emergency such as a home invasion or abusive partner; as well as individuals that are deaf, hard of hearing, or have speech disabilities. A few things you should know about how Text-to-911 works currently: Texting to 911 is intended to benefit people that may not be able to speak in an emergency. The key thing to remember is "Call if you Can, Text if you Can't". When texting to 911 for an emergency, the first message should be the location of the emergency (including city) and the type of emergency help needed (police, fire, or medical). Keep text messages brief and concise; using full words. Stay with your phone. Be prepared to answer questions and follow instructions from the 911 call taker. Photos, videos and emoji cannot be sent to 911 at this time. Trying to send these will corrupt the call text. You cannot include 911 in a group text or while roaming.

Text-to-911 service is not yet available statewide in Oregon or California. If you send a text to 911 from a wireless carrier or a city/county without Text-to-911 service, you should receive a message saying that there is no text service to 911 available at this time. For more details and updates about Text-to-911 go to www.nwtext911.info.

WATER QUALITY REPORT NOW AVAILABLE ON LINE

The Medford Water Commission and the City of Eagle Point have provided water quality information to its customers on a regular basis for decades. About fifteen years ago annual water quality reporting became mandatory and more formalized under changes in federal regulations, after which we began distributing these reports each year through mass mailing. While we support the rights of our customers to receive this information, the printing and mailing of these reports has been a substantial expense, and for those customers who didn't desire to read the report, a waste of paper as well. Meanwhile, over the last several years, use and access to the internet has become widespread. Like last year, we will not be distributing the annual water quality report through bulk mailing. Rather, within the next few weeks, customers can now easily access this report online at www.medfordwater.org/WaterQualityReport.pdf or www.cityofeaglepoint.org and click the water quality report link. Of course, we recognize that some customers do not have internet access and/or would prefer a paper copy. We are therefore printing some hard copies, which will soon be available upon request by calling 541-826-4212. Call 541-826-4212 ext. 136 regarding any questions in the water quality report. As always, this report contains important information on the results of water quality testing during the prior year, as well as explanations of what these results mean. Information on the sources of our drinking water is also included, as well as water conservation tips to help customers save water and money. The online report also includes links to additional information. We encourage our customers to read this report, and hope the new online version is found to be a convenient way of receiving this important information, while also reducing the amount of paper received in mailboxes.
