Save the Date for Our Annual Bike Ride.....

Tour De Eagle Point

Mark your calendars for the 4th Annual Tour De Eagle Point Annual Bike Ride on Saturday, June 13th (an Eagle Point "2nd Saturday Event"). The course has changed slightly this year, and the starting point is no longer at Little Butte Elementary School. Instead, we'll be starting at beautiful Harnish Wayside at 9:00 am (see map). Watch for the registration forms and bike routes.

Fun For Everyone!

Arbor Day Celebration 2015

Thursday April 9, 2015 at
10:00 am @ Lucas Park

*Celebrating 23 Years of
Trees City USA*

Volunteers

Would you or someone you know like to be a volunteer at Harnish Wayside? It's just a few hours a month. As a volunteer at Harnish you will be part of the welcoming committee for Eagle Point and the Upper Rogue area. Volunteers are needed for the Eagle Point Museum as well. If you are interested please contact Mike Frey Mike@ParaduxMedia.com

Upcoming Annual Water Quality Report

Every year the City of Eagle Point sends out an annual water quality report from our source of water, the Medford Water Commission. In previous years the water quality report was bulk mailed to each home. Beginning in May, the 2015 Annual Water Quality Report will be accessible online. The annual water quality report will still be available in hardcopy for those who prefer or require a paper version, upon request. More information and details will be provided in May's Newsletter.

Please remember to clean-up after your dog....

This is a violation of the Municipal Code, 9.36.030 – **Control of Dogs**, that states, “No person who owns a dog or keeps a dog shall permit the dog to: 1. Defecate on a street, sidewalk or publicly owned property unless the person immediately removes the feces from the property.” Violation of this portion of the Municipal Code constitutes an infraction punishable by a fine not to exceed \$250.

Weed Abatement Reminder...

With the 4th of July approaching quickly, it is also a not so gentle reminder of weeds. If you had the opportunity to get a jump start, you are now into your second or even third mowing to keep them under control. City Public Works crews have been working all over town. We appreciate the work everyone is doing as we all need to do our part to keep growth down, reduce the fire danger and keep our City beautiful.

The City’s ordinance for weeds and excessive vegetation requires all property owners within the City limits with property less than one acre to maintain their grass and vegetation to a height less than 10 inches. Shrubs, trees, flowers, vegetable gardens are excluded from the requirements. If your property is within the City limits and greater than one acre, a 15-foot fire break (30 feet from any structure, including a fence) is required.

Code Enforcement will be notifying property owners with high weeds or excessive vegetation starting in June. The goal is to have all properties ready for the 4th of July weekend. Should you receive a notice that your property needs to be mowed or cleaned, you must complete the work within 5 days or you can be fined up to \$500, plus the cost to clean up the property. All weeds and vegetation need to be removed before the official beginning of fire season. Properties need to be maintained until October 1, or until the official end of fire season. Contact Ben Franco at 541-826-9171 ext. 109 or BenFranco@cityofeaglepoint.org.

PUBLIC NOTICE OF VACANCIES:

The City of Eagle Point is currently accepting applications for persons interested in serving on the Economic Development Commission or Planning Commission. Applications may be obtained online at www.cityofeaglepoint.org or picked up at Eagle Point City Hall, 17 Buchanan Avenue South, Eagle Point, Oregon.
