

City of Eagle Point

Public Works Update – E. Main Street/Stevens Road July 1, 2019

East Main Street/Stevens Road Improvements

The construction project to improve East Main Street and Stevens Road is ready to begin. The Oregon Department of Transportation grant funded project will construct bikes lanes, sidewalks, decorative lighting, and a new storm system from Robert Trent Jones Boulevard to Hillside Elementary School on the south side and from Bridgeport Drive to Hillside Elementary on the north side.

Utility relocation has been occurring since March of 2019 ahead of the main construction project. Knife River Materials will begin construction on the main project July 15, 2019. All right of way and environmental permits have been obtained for the improvements. The E. Main Street/ Stevens Road hill (Hillside Elementary to Idlewood Drive) will be closed for the summer to expedite construction.

Public Outreach

City staff have set up an email notification list and have added a project page on the City's website at cityofeaglepoint.org. In addition, questions about the project and/or to be placed on the email notification list can be routed through Brigitte at City Hall, (541) 826-4212, brigitte@cityofeaglepoint.org.
