Public Works Update – E. Main Street/Stevens Road July 29, 2019

East Main Street/Stevens Road Improvements

The main construction project to improve East Main Street and Stevens Road officially began last week. Knife River Materials closed the E. Main Street/ Stevens Road hill (Hillside Elementary School to Idlewood Drive) on July 25, 2019 for construction. Clearing and grubbing of the hillside began, and all of the trees to be removed with the project have been identified.

The existing asphalt surfacing will be removed in the next week. Access is limited to residents only, and to emergency vehicles at all times.

Utility Relocation

NPL, the subcontractor for Avista, completed relocation of the gas line. The remaining utility relocation has been occurring by Pacific Power, Hunter Communications, Charter Communications, and Century Link. Several water services are to be relocated with the project. Notice will be provided at least 48 hours prior to any temporary water service interruption.

Public Outreach

For project updates please see the City of Eagle Point website, www.cityofeaglepoint.org. For general questions, or to be placed on an email notification list for updates please contact Brigitte at City Hall, (541) 826-4212, brigitte@cityofeaglepoint.org.

Steve Sparkman, Construction Project Manager for OBEC Consulting Engineers, is available to meet onsite with property owners who have specific questions about the project construction. The E. Main Street/ Stevens Road hill (Hillside Elementary School to Idlewood Drive) will be closed into September of 2019 to expedite construction.

The Oregon Department of Transportation (ODOT) grant funded project will construct 6-foot bikes lanes, sidewalks, decorative lighting, and a new storm system from Robert Trent Jones Boulevard to Hillside Elementary School on the south side and from Bridgeport Drive to Hillside Elementary on the north side. Knife River Materials is the main contractor, with OBEC Consulting Engineers providing construction management for ODOT/City of Eagle Point. The City received over \$2.8 million towards the estimated \$3.8 million project.
