Public Works Update – Stevens Road Improvements

November 21, 2019

East Main Street/Stevens Road Improvements

Stevens Road is paved! Knife River Materials was able to complete the widening for Stage 2 paving on November 19, 2019. With the good weather holding, the final paving for the project was completed November 20, 2019. Construction will continue for sidewalks, paving of driveways and installation of streetlights into December.

Widening was completed for Stage 2.

Concrete driveways were completed.

Final Paving of Stevens Road

Look Ahead

Construction will continue through December 2019 with one-lane traffic control during the day to pave driveways, install light pole foundations and prepare/pour sidewalks. The contract date for completion of the full project is April of 2020. Knife River Materials is currently ahead of the contract date for completion.

Public Outreach

Regular updates continue to be sent to the email notification list, and placed on the City's website. Steve Sparkman, Construction Project Manager for OBEC Consulting Engineers, is available to meet onsite with property owners who have specific questions about the project construction.

For project updates please see the City of Eagle Point website, www.cityofeaglepoint.org. For general questions, or to be placed on the email notification list for updates please contact Brigitte at City Hall, (541) 826-4212, brigitte@cityofeaglepoint.org.
